Links to Other Websites

As a useful resource to our visitors, Pharmageneric LLC provides links to other websites. We try to carefully choose websites that we believe are useful and of high quality. However, because websites can change very quickly, we cannot guarantee, and do not monitor, the content of any website to which we provide a link or reference. In addition, Pharmageneric LLC shall assume no liability for the content of non- Pharmageneric LLC sites. Further, Pharmageneric LLC shall not bear any liability for alleged or actual damages or injury arising from a user's access to such sites. Links to other sites are provided only as a convenience to users of our site.

Concerning Your Privacy

Pharmageneric LLC is committed to respecting the privacy of its website visitors. We recognize the need to balance legitimate business interests in collecting and using information received from and about you with your reasonable expectations of privacy. Below is a description of how we use information learned about you from your visit to our website.

Aggregate Data

Pharmageneric LLC's website may deposit certain bits of information called "cookies" in a visitor's computer. Cookies can tell us how and when pages in a website are visited and by how many people. This technology does not collect an individual visitor's identifying information. Rather, this information is in an aggregate form. The purpose of this technology and the information it provides is to help us to improve our websites.

Personally Identifiable Information

Pharmageneric LLC collects personally identifiable information, such as names, addresses, email addresses and the like, only when voluntarily provided by a website visitor. We will notify you as to the uses we intend to make of that information in any given instance. Personally identifiable information will not be sold, rented or exchanged with any other organization or entity unless the user is first notified and expressly agrees to it.

Where visitors choose to provide the site with a name, email address or other information in order to receive email notices of new postings or other materials that may be offered, Pharmageneric LLC uses its best efforts to keep all such response lists confidential.

Changes

Any changes to this privacy policy will be communicated promptly on this page.

Forward-Looking Statements

We have made forward-looking statements on this website within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements are about our estimated or anticipated future results, product performance and other non-historical facts and are based on our management's beliefs and assumptions, current expectations, estimates and projections. We have tried, whenever possible, to identify such statements by the words "believes", "anticipates", "plans", "expects", "forecast", "projected", "intends", "will", "may" or similar forward-looking statements. Many of the factors that will determine the Company's future results are beyond the ability of the Company to control or predict. These statements are subject to risks and uncertainties and, therefore, actual results

may differ materially from those expressed or implied by these forward-looking statements. The reader should not rely on forward-looking statements. Important factors that may affect future results include, but are not limited to, our ability to obtain regulatory approval of any of our pipeline products and to successfully develop, commercialize and market new products; competitive developments; government regulation of the pharmaceutical industry and the effect of healthcare reform on our business; our ability to sustain our sales and profit on generic pharmaceutical products over time; our ability to maintain our manufacturing facilities in compliance with regulatory requirements; our dependence on a small number of branded pharmaceuticals products with time-limited exclusivity rights; our dependence on outside manufacturers for the manufacture of most of our branded pharmaceuticals products; our dependence on third parties to supply raw materials and to provide services for certain core aspects of our business; new regulatory action or lawsuits relating to our use of narcotics in most of our core products; our exposure to product liability claims and product recalls and the possibility that we may not be able to adequately insure ourselves; our ability to protect our proprietary technology; our ability to successfully implement our acquisition and in-licensing strategy; regulatory or other limits on the availability of controlled substances that constitute the active ingredients of some of our products and products in development; the availability of third-party reimbursement for our products; the outcome of any pending or future litigation or claims by third parties or the government; our dependence on sales to a limited number of large pharmacy chains and wholesale drug distributors for a large portion of our total revenues; significant litigation expenses, including to defend or assert patent infringement claims; any interruption or failure by our suppliers, distributors and collaboration partners to meet their obligations pursuant to various agreements with us; a determination by a regulatory agency that we are engaging or have engaged in inappropriate sales or marketing activities, including promoting the “off-label” use of our products; our ability to successfully execute our strategy; our ability to successfully integrate and realize all anticipated benefits of our acquisitions, including the projected synergies of these acquisitions; the risks associated with our international operations, and other risks and uncertainties detailed in Pharmageneric LLC's filings with the Securities and Exchange Commission available at www.sec.gov . The Company undertakes no obligation to update any forward-looking statements whether as a result of new information, future events or otherwise.
